What is the Tumbling Meet? The Tumbling Meet is an opportunity for all our gymnasts, ages 4 and older, Beginner through team levels, to compete a tumbling routine and enjoy a meet experience. The gymnasts will be working on memorizing and presenting clean routines during the tumbling portion of summer classes. The routines consist of 4-5 tumbling skills – 2 tumbling passes per routine. Just Tumbling – no beam, bars, or vault!

We encourage ALL our gymnasts, ages 4 and older, Pre-school, Beginner, Intermediate, Advanced, JR HT, HT, Xcel through team levels, to enter!

Gymnasts will compete their tumbling routine (NO equipment events- vault, beam, bars) with other gymnasts, grouped into the same age and ability level. Each gymnast will be assigned a session – each session is 45 minutes in length, start to finish. We offer the opportunity for our gymnasts to compete in the tumbling meet, just once a year in August! The meet is for Jacobs Gymnasts only and must be enrolled through the summer!

The gymnasts will be practicing the tumbling routines during their class times. Additional practice is optional and offered through our Tuesday/Thursday clinic opportunities. This meet is an excellent chance to try out competition and perform in front of parents. The emphasis is on having fun, trying our best, and improving our skills and form throughout the summer. There will be medals awarded to all our competitors, complete with an award stand presentation! No prior competition experience is required- this is the place to gain that experience and confidence. It is also great motivation to improve skills and technique.

The exact competition schedule will be announced on July 20. The competition will be held between 8 AM and 2 PM, starting with the youngest gymnasts and continuing through the oldest/most advanced. Each session is approximately 45-60 minutes!

Entry form (available in June) **deadline Thursday, July 9!** Orders for T-shirts, leotards and medals must be placed early! Entry fee is \$65. Your credit card on file will be processed July 11.

It is a valuable process in that gymnasts learn a routine, work on their form and technique, present the routine at the meet, and all gymnasts receive a score, medal, and Meet T-shirt at the meet. Practice on these routines begins the week of June 9, during the tumbling portion of class.

We hope you and your gymnast will join in the fun this year!

How long is the Tumbling Meet? Each session will be approximately 45 minutes. Each gymnast is scheduled for one session only. Schedules will be emailed July 20.

Should my gymnast memorize the routine? Yes – It is all about confidence, and your routine will look better! We are practicing the routines during the tumbling portion of class. We also have clinics in August to help gymnasts get extra practice too! Register early!

Will my gymnast be nervous? Everyone is a little nervous! It is ok – but everyone coming to watch is a parent or grandparent, watching their own gymnast.

What should my gymnast wear? Leotard, hair up/out of face, no jewelry (stud earrings are ok), no socks.

What is the best score you can get at the meet? We use the traditional 10.0 scoring format. Standard deductions are taken for form breaks – bent arms/legs, not pointing toes, not stretching tall, extra steps in between skills, pauses, fixing your hair or leotard, falling....

How many gymnasts compete at one time? ONE! (It is tumbling routines only – no equipment!)

How many warmup routines will each gymnast have at the meet? 1 warm-up routine – then line up, introductions, compete, and awards!

Will there be coaches at the meet to help your gymnast – verbally or physically? YES! Sometimes gymnasts get nervous and forget their routine – we can talk them through it. We try to match each gymnast with a routine that gives challenges, but not to the degree that they will need spot during a meet.
